Dear Parent/Carer

**Re: Fizzy Pop/Energy Drinks –e.g. Lucozade / Cans or Glass bottles of drink**

At this time of year we are well aware of the importance and significance of keeping ourselves properly hydrated. School policy is to permit water to be drunk in school for this purpose. Please note that all other drinks are not allowed in school. Also please note that cans and bottles are not allowed – this is for Health & Safety reasons.

We also stipulate that bottles of water must be no larger than 75cl and that these must be carried in school bags; **NOT** in blazer pockets.

Please ensure your child follows school policy. Any drinks which are not in keeping with this policy will be confiscated. Collection will be permitted at the end of the school day.

Yours faithfully

Mrs E Barker  
Deputy Headteacher
