September 2017

Dear Parent/Carer,

During the school year it is common practice for school photographs to be taken of pupils, at appropriate times. This is usually to mark a significant event in the life of the school, or to celebrate an achievement, e.g. an academic or sporting success.

Occasionally photographs are requested by the local press to accompany articles submitted for publication in newspapers, to celebrate pupils' achievements. Such publicity, whilst acknowledging pupils' progress, also promotes the active life of the school.

It has now become necessary, as a result of data protection regulations, to gain consent of those with parental responsibility for children, for such photographs to be used for this purpose. I would be grateful therefore, if you could kindly complete the slip below in block capitals and **return it to the school before Friday 15th September 2017. If we have not received your reply slip by then, we will assume that your consent has been given to use photographs of your child.**

Thank you for your co-operation.

Yours sincerely,

**Mrs J Warburton
Head Teacher**
