Dear Parent/Carer

SCHOOL BAGS

It is evident that the school's expectations with regards to suitable school bags are not being met an increasing number of pupils.

This letter is to act as a reminder to all about the type of school bag we consider appropriate for school. A school bag must be large enough to carry several A4 size books/folders; it must be of a single dark colour and it must not be a handbag/designer tote bag and/or covered in embellishments/patterns or logos, e.g. MK/R1 etc. (other than the accepted sport logo which comes with many rucksack types).

We will operate a bag check on our return to school following the Easter break. If your son/daughter has an unacceptable school bag from Monday 20th April, sanctions will follow.

We thank you in anticipation that there will be no need to take further disciplinary action with regards to your child's school bag.

Have a Happy Easter.

Yours faithfully
