

School Direct teacher training

Since September 2015, Cardinal Newman Catholic High School has been part of a growing number of schools that are leading the way for more school-led teacher training. We are working in collaboration with a number of schools in the area on the School Direct teacher training programme, led by Wade Deacon High School in Widnes. Through this programme we can choose the very best talent and develop them into teachers to help us in delivering the best outcomes for the students at Cardinal Newman.

We have vacancies now to start training from September 2017 in a variety of subjects, and we would be very interested to hear from you if you are thinking of becoming a teacher, or know someone who is. We are looking for people who have (or will have) a degree, have a passion for teaching and want to inspire young people to fulfil their potential.

If you require further information about the School Direct teacher-training programme, please contact Miss Burras, Deputy Headteacher.
