Dear Parent/Carer

I would like to introduce you to a new feature on our school website, "Tootoot". Tootoot is a way in which pupils and parents can report incidents of bullying. Parents can access Tootoot on the school website, to use the system you will need to create an account which will be authorised by school so reports can be traced to the person who has submitted the concerns. Once your account has been authorised you will be able to report incidents of bullying to a member of the pastoral team in school who will deal with the reported issue. Incidents will be viewed between 9.00am – 1.00pm Monday to Friday during term times and therefore it is essential if a child is in any danger you contact the school and speak to a member of staff as soon as possible. The Tootoot platform can be accessed on a laptop, phone or tablet and can be viewed at any time. In addition to using Tootoot to report incidents parents can also access a wealth of useful information/support via the parent hub.

I hope you find Tootoot a useful resource and if you have any questions please do not hesitate to contact me.

Yours sincerely

A. McLoughlin
