

Cardinal Newman Catholic High School

Specialist Maths and Computing College

Headteacher: Mrs J Warburton

27th April 2018

Dear Parent/Carer

Year 10 Internal exams commence the week beginning 7th May 2018 and continue during the weeks commencing the 18th and 25th June. On the reverse of this letter is your child's examination timetable which gives more detail about the arrangements.

Please ensure that your son/daughter has the correct equipment for each exam. Basic equipment consists of at least two pens, a pencil, a pencil sharpener, a rubber and a ruler. For the Maths and Science exams, pupils will need a compass, a protractor or angle measurer and a calculator.

Each exam will be performed under strict exam conditions. Once pupils have entered the examination room all talking will cease until the end of the exam. I will expect high standards of behaviour throughout.

I trust I can rely on your support to encourage your son/daughter to revise properly; bring the correct equipment and behave in a mature and sensible manner.

Yours sincerely

Mrs M Hatton
Head of Year 10

MHa00
