

Cardinal Newman Catholic High School
Specialist Maths and Computing College

Headteacher: Mrs J Warburton

26th April 2017

Dear Parents/Carers

Catholic beliefs and values are at the heart of our school life. At CNCHS we are inspired by the belief that each person is a unique individual created by God. We would like to invite you to attend our celebration mass to give thanks to all our Y11 students for their time with us, and pray for success in their exams.

This mass is especially for all Year 11 students and families, and we hope as many as possible will be able to attend this joyful celebration, making this a very special occasion for everybody.

The mass will take place at **Blessed John Henry Newman Church Latchford Thursday 11th May 2017 at 7pm.** Light refreshments will be available after the mass.

Yours sincerely

L JAMES
School Chaplain
