Dear Parent/Carer

YEAR 11 MOCK EXAMINATIONS

Year 11 are going to have more mock examinations which commence the week beginning 29th February 2016 in order to prepare them for their actual GCSE's.

On the reverse of this letter is your child's examination timetable which has been discussed during form time.

Please ensure that your son/daughter has the correct equipment for each exam. Basic equipment consists of at least two pens, a pencil, a pencil sharpener, a rubber and a ruler. For the Maths and Science exams, pupils may need a compass, a protractor or an angle measurer and a calculator.

Each exam will be performed under strict exam conditions. Once pupils have entered the examination room, all talking will cease until the end of the exam. I will expect high standards of behaviour throughout.

I trust I can rely on your support to encourage your son/daughter to revise properly, bring the correct equipment and behave in a mature and sensible manner during the exams.

Yours faithfully

Mrs M Hatton

- Please check the seating plan with your Form Tutor so that you know where you will be sat in the Auditorium. You will be in the same seat for each exam. Pupils entitled to access arrangements will need to check the seating plan in the auditorium before each exam and then go to the correct room.
- Periods 1,3 and 5 please go to your timetabled lesson. Your teacher will register you and bring you down to the Auditorium. There will not be an extended registration on Monday.
- Please leave your mobile phone and any other Wi-Fi enabled devices at home or in your locker. These will not be allowed into the exam room. Your school bag will be left unsupervised in the entrance to the Auditorium and the school does not take responsibility for it.
- Please ensure you bring the correct equipment to each exam including a black pen.
