Dear Parent/Carer

Author Event: Monday 8 May 2017

Your child will be attending an event with the fantastic, award-winning author Curtis Jobling on Monday 8 May and will have the opportunity to buy personally signed and dedicated copies of his books.

Should you wish your child to be able to purchase books, please sign the order form overleaf, and return to the school along with payment. Alternatively, your child may bring monies with them on the day of the event to purchase books directly at that time. Books are priced at £6.99 each, however, Waterstones, Warrington have very kindly offered to promote buy one book, get one half price, so that's two books for £10.50!

Of course, children are under no obligation to buy books but we do want to alert you to this opportunity in order to avoid disappointment. Often children are very inspired to read the author's books after such a visit and this is a unique opportunity for them to have books signed and personally dedicated.

We hope your child will benefit greatly from this visit!

About the Event

Curtis will be discussing his work in the film and television industry as creator and designer of many beloved children's shows. The main emphasis of his talk is to inspire a love of reading for pleasure in students. He will introduce the audience to his middle grade and teen novels, including the acclaimed Wereworld series of fantasy horror novels, and his darkly comic chillers, Haunt. There will be live illustration, animation screening, a hilarious quiz, before a gripping chapter reading from one of his latest Max Helsing novels. The event concludes with a lively Q and A session, plus book signings.

Yours sincerely

About the Author

Curtis Jobling is perhaps best known for his creation of the TV shows **Bob the Builder**, **Frankenstein's Cat**, & **Raa Raa the Noisy Lion**. However, Curtis' other love has always been writing horror and fantasy for an older audience. His first novel, **Wereworld: Rise of the Wolf** was published by Penguin in January 2011 to great critical acclaim, shortlisted for the Waterstone's Children's Book Prize. He has written five additional books in this series plus the darkly comic Young Adult chillers, **'Haunt'** (both set in his hometown of Warrington!). His latest creation, **Max Helsing**, features in a new series of teen supernatural fantasy novels.
