Dear Parent/Carer

Y9 internal exams commence the week beginning 3<sup>rd</sup> January 2017.

On the reverse of this letter is your child's examination timetable which has been discussed during form time.

Please ensure that your son/daughter has his/her correct equipment for each exam. Basic equipment consists of at least two pens, a pencil, a pencil sharpener, a rubber and a ruler. For the Maths and Science exam, pupils may need a compass, a protractor and a calculator.

Each exam will be performed under strict exam conditions. Once pupils have entered the examination room all talking will cease. All bags and coats should be left in the Auditorium atrium before pupils take their seats. **Any wi-fi enabled devices will need to be left at home or in a locker. These must not be brought into the exam room. Pupils bags will be unsupervised during exams and the school cannot take responsibility for them.**

I trust I can rely on your support to encourage your son/daughter to revise properly, bring the correct equipment and behave in a mature and sensible manner during the exams.

Yours sincerely

Mrs M Hatton  
Head of Year 9
