Headteacher: Mrs J Warburton

17th January 2017

Dear Parents

Year 9 Options Evening – Tuesday 24th January 2017

I am writing to invite you to the Year 9 Options Evening on Tuesday 24th January which marks the beginning of our Key Stage 4 options process. This is the time when students will decide which subjects they would like to continue to study at GCSE level in years 10 & 11. Please note that this is an information evening for parents only. Students should not attend as they will be given the same information in school.

Subject staff from optional subjects will be available from 5.00 pm onwards to answer any general questions you may have about the courses being offered. Any specific questions around your child's progress and suitability for a particular course at GCSE should be discussed with their teacher at the Year 9 Parents Evening on Wednesday 1st February.

There will be a presentation in the Auditorium at 6.00 pm which will give you valuable information about the options process and options routes available so that you are best able to support your child in making decisions at this important stage in their academic career.

I look forward to seeing you there.

Yours sincerely

M Burras
Deputy Headteacher
